Meet the Lancers

June 28, 2010 – Wheaton, Illinois – On June 26, representatives from St. Michael School were on-hand at Wheaton's French Market.

Young shoppers decorated crowns, colored pictures and had their picture taken with Lance the Lancer while parents learned more about St. Michael Parish School's preschool and kindergarten programs.

Many parents left with information packets and applications for the 2010-2011 school year.

St. Michael School will return to the French Market on Saturday, August 14.
