Local School Gives New Families a Warm Reception
St. Michael School Prepares New Students and Families for Success

August 16, 2011 – Wheaton, Illinois – On August 20, St. Michael Parish School will host a reception for families new to the Wheaton school. The reception will take place from 9:00 a.m. – 10:00 a.m. and will be held in the school's library.

New students will be paired with a buddy from their class.

While students bond with their new buddies, parents will hear presentations from Principal Marcia Opal. Members of St. Michael School's Parent Organization will introduce new parents to the Hot Lunch Coordinator, the New Family Liaison and Parent Organization Auction Committee Chairpeople. The presentations will be followed by a Question and Answer session.

"There are many new families joining us this year, so it should be quite an event," said Principal, Marcia Opal.

Principal Marcia Opal understands what may have attracted these new families. "It is a school with a warm welcoming community, deeply rooted in its faith. We have wonderful parent support and caring teachers, who not only educate students to compete successfully in the academic world, but also help to instill in them their Catholic identity. St. Michael's is able to give its students the best of both worlds: spiritual and academic."

With so many fresh faces and ideas, the 2011-2012 school year promises to be an exciting one for this Wheaton school.
